Enjoy an evening of absolutely wonderful symphonic music provided by the Tri-Cities' own 50 musician symphony - the Newark Symphonic Winds - directed by Richard Wong.

Come listen to "Academic Festival Overture" by Johannes Brahms, a medley of some of the most memorable compositions by the great John Williams, the very stately "Highland Cathedral", and for fun — a medley of tunes by both Elton John and the Rolling Stones as well as many, many more wonderful compositions.

Also performing this evening will be the Newark Saxophone Quartet.

Cost of admission is "FREE", no tickets are necessary.
